Important News

CentraView

We have completed our migration from MTCC TV to CentraView!

All our existing TV customers should now be on the new system. We would like to thank you for your patience during this transition. We also understand that this is a new service, and you will have questions. Please call us with any issues you may have.

If you have not yet returned your old TV equipment, please do so as soon as possible to avoid any unexpected charges. If you need us to come and pick it up, please let us know.

Affordable Connectivity Program

Due to a lack of additional funding from Congress, the ACP stopped accepting new applications as of February 7, 2024. Funding for the program is projected to run through April 2024. This date is an estimate and may change.

Because of the financial impact of the end of funding for this program, you may elect to cancel your internet service without early termination penalties. If you have any questions or concerns, please give us a call at 435-835-3391.
